Welcome to the new Send to Amazon shipment creation workflow!

Send to Amazon is a new workflow that saves FBA sellers time through a streamlined, more flexible shipment creation process. Learn more on the [Send to Amazon](#) page, which includes [training videos](#) and schedules for live demonstrations. More features are on the way as we prepare to transition all sellers to the new workflow. Meanwhile, the old workflow will remain available.

What's next?

1. Apply the correct FBA box ID label to each box.
2. Work with your carrier to create the carrier shipping labels for your boxes.
3. Hand off your boxes to your carrier and mark them all as shipped.
4. Provide tracking IDs from your carrier by clicking **Track shipments** below. This can help us receive your shipment up to 30% faster and make your products available for sale sooner.
